

Trig tables

Design your own table - worksheet

Problem table

Without using a calculator, try to complete the table below.

| | $\theta = \dots$ | $\theta = \dots$ | $\theta = \dots$ |
|--|------------------|------------------|------------------|
| | | | |
| | | | |
| | | | |

Notes

Solution table

| | $\theta = \dots$ | $\theta = \dots$ | $\theta = \dots$ |
|--|------------------|------------------|------------------|
| | | | |
| | | | |
| | | | |
